

## Aquatic Plants Data Collection Form

Species: \_\_\_\_\_ Date: \_\_\_\_\_

County: \_\_\_\_\_ Lat. \_\_\_\_\_ Long. \_\_\_\_\_ (if available)  
(xx.xxxxx) (xx.xxxxx)

Location Description: (address or landmark) \_\_\_\_\_

Infested Area: \_\_\_\_\_  Sq. Meters  Hectares

**Habitat:**

- |                                 |  |  |
|---------------------------------|--|--|
| <input type="checkbox"/> Beach  | <input type="checkbox"/> Lake: near shore  | <input type="checkbox"/> Lake: open water  |
| <input type="checkbox"/> Pond   | <input type="checkbox"/> River: near shore | <input type="checkbox"/> River: open water |
| <input type="checkbox"/> Stream | <input type="checkbox"/> Wetland           |  |

Other \_\_\_\_\_

**Abundance (number of plants):** *(select one)*

- |                                       |   |  |
|---------------------------------------|---|--|
| <input type="checkbox"/> Single Plant | <input type="checkbox"/> Scattered Plants | <input type="checkbox"/> Dense Patches |
|---------------------------------------|---|--|

**Plant Description:** *(check all that apply)*

- |                                    |                                |                                       |
|------------------------------------|--------------------------------|---------------------------------------|
| <input type="checkbox"/> In Flower | <input type="checkbox"/> Seeds | <input type="checkbox"/> Dormant/Dead |
|------------------------------------|--------------------------------|---------------------------------------|

Waterbody Name (if known): \_\_\_\_\_

Protocol Used: *(if applicable i.e. Ecological Monitoring and Assessment Network)*

\_\_\_\_\_

Specimen Collected:  Yes  No Specimen Location: \_\_\_\_\_
