

We want to do our part to prevent the spread of Aquatic Invasive Species!

Association Contact Form

The _____ (Association name) would like to help protect our lake from AIS by participating in the FOCA AIS Prevention & Monitoring Program.

We will work toward the following actions:

- Educate association members and the general public about AIS prevention techniques and monitoring by distributing educational materials found in the Association toolkit (i.e. Articles, factsheets, etc.)
- Organize volunteers to survey, report and monitor for invasive species in our waterbody
- Provide a presentation or update about the program at our AGM or other event
- Provide feedback to FOCA at the end of the monitoring season
