Every Second Counts

The reality is without a Defibrillator available at your home or cottage the chance of surviving sudden cardiac arrest **is almost zero**. Protect your family - AEDs are now affordable, safe and easy to use.

Leaders in the Industry! Action First Aid has over ten years experience, implementing AED programs across Canada and has been proudly involved with some of the largest deployments of AEDs in the workplace. Action First Aid is proud to distribute **PHILIPS** defibrillators - the worldwide leader in AEDs.

Training! Action First Aid is a WSIB and Federally approved Training Agency offering a full range of First Aid, CPR & AED programs. We are committed to providing a fun and highly interactive training experience. Weekly training available at our large, bright facility in Barrie and Vaughan (coming fall 2013), or we are happy to come to you at your home or cottage. Customized programming is always available to meet your specific needs.
