

McKay Lake Community Association Membership Form

Who We Are: The McKay Lake Community Association was created in 1987 as a means of bringing cottagers together as a group to promote the well-being of the lake and its natural surroundings.

The Association Committee coordinates fun activities within the McKay Lake community, provides you with information about the best way to live on a lake and promotes research opportunities to foster the health of our lake.

Yearly membership is \$25 per cottage. Your support of the McKay Lake Community Association by becoming a member, and when possible, volunteering your time and enthusiasm, is most welcome!

1. Please fill out this form and...

Email to: mckaylaketreasurer@gmail.com
