About this company: We are a small family business new to the Cameron area (in the Kawartha Lakes) with a commitment to all of our customers. We operate 2 businesses in this location. We are an RV, boat, off-road and sled dealership, and have a full vehicle service centre offering the usual vehicle repairs. We offer free pick up and delivery (within a certain distance around us) for any service vehicles that have appointments and also offer the same for anything that is purchased from us. We pride ourselves in honouring our commitments and doing what we can to make our customers' experience with us the best.
